Thursday 29th October 2026

Dear Parents and Carers,

We are delighted to announce the launch of Class Charts at Quarrydale Academy. This is a fantastic, user-friendly app designed to bring parents, students, and teachers closer together by keeping you fully informed about your child's school life.

Through the Class Charts platform, you will be able to securely view your child's attendance, timetable, see scheduled reflections, and view achievement and behaviour points all in one place. Additionally, we will be moving to all homework being set on Class Charts and 'Satchel One' will be phased out over the coming weeks, to reduce the number of Apps students and parents need.

Following receipt of this letter you will receive a separate email with your unique "**Parent Access Code**" which is required to set up your account. Your child will receive their "**Student Access Code"** via their Tutor so they can download their own version of the app to monitor their performance, independent study, and daily schedule.

Once you have set-up your account you will receive a confirmation message. If you have more than one child at Quarrydale Academy, you can easily add them to this same centralised account later using the "Add Pupil" option within your settings.

For a complete step-by-step overview of how to navigate the platform, you can access the official Quick Start Guide online here: https://assets.tes.com/marketing/s3fs-public/documents/2024-08/class-charts-for-parents-guide.pdf

We hope you enjoy using this new system and find it a valuable tool in supporting your child's education. If you are missing your access code, experience any issues signing up, or need further assistance, please contact the academy's main office directly so we can assist you.

Yours faithfully,

Quarrydale Academy
