Who Will help you

The Tutors

Your tutor is the teacher that will register you every morning and afternoon and their role is to be the first person you go to if you need help with something. Your tutor will also play a key role in monitoring your progress, attendance, behaviour, rewards and achievements.

Every morning for 20 mins and every afternoon for 10 mins you will have a daily registration “tutor time” and in these sessions your tutor will register you, inform you of year team and whole school messages and they will also complete a range of activities such as reading, PHSE and other learning based activities.

The Transition Co-Ordinator

Not only does our Transition Co-Ordinator help before you come to Quarrydale, she is also here to help you when you are here, and can be found in the office opposite the library or in your year base during morning tutor.

You are given this with your school photo on, parents add funds to this to be used when getting food/drinks from the canteen.	You can use this room for reading and research, you can borrow a fiction and nonfiction book to take home. You may have a English lesson in here.	This is a paper copy that is given to you to see what lesson you have each day and what equipment you will need to bring from home.	You will come through here if you arrive late and parents can phone if they need to speak with a member of staff or drop off any medication	These are given to pupils for positive achievements/behaviour and are entered into a termly draw to win an Amazon voucher or chocolate
You go in here for an assembly every Monday morning and sit in chairs with the rest of your tutor group.	This gives you an idea of what foods are available from the canteen.	You will go to your tutor group/class twice a day to do this.	You will have one of these a day, in the morning between lesson 1 and 2	Where you can get your lunch, go to breakfast club, eat food from or eat your packed lunch.
You will have different ones for each lesson depending on the subject.	You go in many different ones depending on the lesson/subject you have.	You will meet and make new ones once you start Quarrydale	You will need to check your timetable each day to make sure you bring this to school.	We keep to the left when walking through these to prevent bumping into others.
You will get rewarded if this is good or sanctioned if this is unacceptable.	You will have 5 of these a day	This must be worn at all times including a clip-on tie.	You will have the opportunity to go to these after school e.g cooking, gymnastic, dance.	This person will register you twice a day and hopefully see you through school until year 11.
