Dear Parents/Carers,

Firstly, we would like to thank all parents for their support over the last two days with students being able to wear a relaxed uniform in response to the extreme high temperatures. We appreciate that some parents have been out and purchased tailored shorts for this warmer spell of weather.

Therefore, we would like to inform parents that during the summer term to ensure students remain comfortable while maintaining our school's standards,

- **Students are permitted to wear black tailored shorts** during the summer term only.
- Please note that **only black tailored shorts** are acceptable—**casual, sports, denim, or any non-tailored shorts are not permitted.**

Tailored shorts are a style of short designed for a more refined, structured look, similar to tailored trousers, they are hemmed at the bottom and they are typically made from materials similar to their school trousers, with details like a conventional waistband with belt loops, and well-defined pockets. Tailored shorts offer a good balance between casual comfort and a more polished aesthetic.

- **Blazers must be brought to school every day**, regardless of the weather. Students will be informed by staff when it is appropriate to remove them during the school day.

We appreciate your continued support in helping students present themselves in a smart and consistent manner.
