Dear Parents/Guardians,

## Year 7 Parents' Evening – Thursday 20th March, 4:00 pm –7:00 pm

We hope this letter finds you well. We are writing to inform you about our upcoming Parents' Evening, scheduled for Thursday, 20th March, from 4:00 pm to 7:00 pm. This event is an essential opportunity for us to connect and discuss your child's progress so far this academic year.

You will need to make appointments through the "My Child At School" app. If you haven't already downloaded the app, please do so in order to book appointments. You should book appointments for all of your child's subjects. If, for any reason, you are unable to make a booking, there may be an available slot on the evening. Please refer to the "how-to" guide for instructions on booking appointments. If you encounter any difficulties or have questions regarding Parents' Evening, please do not hesitate to contact your child's tutor in the first instance.

At Quarrydale, we believe in fostering a strong partnership between home and school to ensure the success and well-being of our students. Your participation in Parents' Evening plays a crucial role in this partnership. It provides a valuable chance for you to meet with your child's subject teachers and gain insight into their academic journey and achievements.

Here are some key reasons why your attendance at Parents' Evening is vital:

1. **Building Relationships:** Meeting your child's subject teachers in person allows you to establish open lines of communication. Building strong relationships with teachers fosters a supportive environment for your child's learning and development.
2. **Understanding Progress:** Parents' Evening offers you a first-hand opportunity to understand your child's progress in each subject. Our dedicated teachers will provide detailed feedback on your child's strengths, areas for improvement, and overall performance.
3. **Addressing Concerns:** If you have any concerns or questions about your child's education, Parents' Evening is the perfect forum to address them. Our teachers are here to listen, provide guidance, and work collaboratively with you to support your child's academic journey.
4. **Setting Goals:** Together with your child's teachers, you can discuss goals and aspirations for their academic and personal growth. By setting clear objectives and strategies, we can work together to help your child achieve their full potential.

We understand that your time is valuable, but we cannot emphasise enough the importance of your presence at Parents' Evening. Your active involvement demonstrates to your child the significance you place on their education and encourages them to strive for excellence.

On arrival at Parents' Evening, there will be a QR code displayed on the TV in reception. Please use this to sign in. If you don't have a mobile phone, we will have tablets available for you to sign in.

Thank you for your ongoing support and commitment to your child's education. We look forward to welcoming you to Parents' Evening and discussing your child's progress together.

Yours sincerely,

Mrs. K. Cohen  
**Head of Year 7**
